Subject: Request for Clearance Approval – Internship Exit Formalities

Hello Sir,

As I am proceeding with my exit formalities from Amdocs upon completion of my internship, I kindly request you to provide your clearance approval.

Please let me know if there are any pending formalities or responsibilities that need to be completed from my side. I would be grateful if you could also share the clearance confirmation over email at your convenience.

Thank you for your guidance and support during my internship.

Regards,

Vedant Pawar
